Why is ECA’s EDE Course so special?

Because…

• Successful completion of the EDE course will allow you to enter all the courses (allowed for international students). For Flinders University it includes level 1 and level 3 (equivalent of IELTS 6.5), e.g. Nursing.
• Shorter course length than other schools, which means less cost.
• Small class sizes and extra help provided.
• ECA is well known for it’s high success rate in academic courses.
