English for Direct Entry

The English College of Adelaide (ECA) offers direct entry into Flinders University, TAFE SA and other affiliated Tertiary Institutions. Successful completion of ECA's English for Direct Entry (EDE) course facilitates acceptance into your choice of Undergraduate and Postgraduate Degrees, Certificate, Diploma and Advanced Diploma programs without an IELTS score.

Level 1 introduces learners to a range of academic written and oral texts and the skills they will need to be successful in tertiary studies. There is a strong emphasis on academic writing and formal spoken language and the development of research and critical thinking skills. It is a foundation for Level 2.

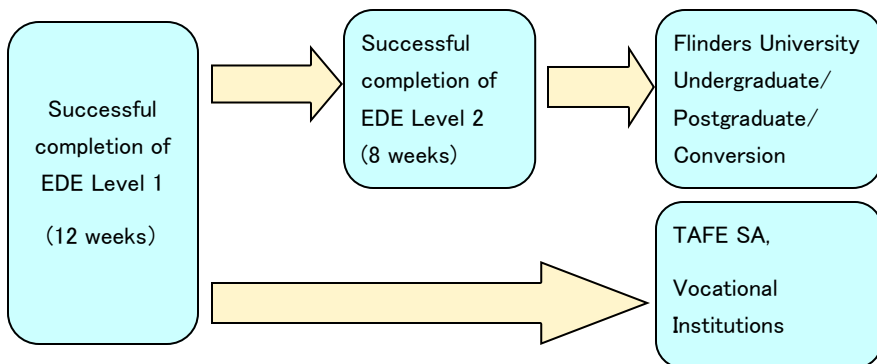

Level 2 further develops the learners' understanding of the academic culture of Australian tertiary institutions. Learners are able to focus on field-specific language and communication skills in extended essays and presentations.

Assessment in both levels is by written assignments (essays, reports, reviews), oral presentations and summaries of lectures, reports and written texts.
