**INTRODUCTION**

Our philosophy at the English College of Adelaide (ECA) is to provide students with a high level of English language in a friendly, family like atmosphere. We want our students to have fun, make friends, be challenged and to achieve their goals.

We would like to assist students to realise their dreams to study English in Australia and successfully enter University and tertiary institutions by offering a Scholarship Program.

Our strong relationship with Flinders University, TAFE SA and other Vocational Colleges provides the perfect study program for those wanting to enter prestigious educational Institutions.

Upon successful completion of the ECA General English Course, students enter the EDE (English for Direct Entry) Course. After successfully completing the EDE course they can then enter the educational institution of their choice.
